Teacher Reviews

"I have used these multiple times with my students. Very easy to read and understand. Great teaching point to use and refer back to and cute enough to hang up on the walls!"

"Great graphics! Easy to read! Colors match those used while highlighting text during annotating!"

Teacher Reviews

"Easy to print, easy to use, and the alternating colors help students count without losing track!"

"My students used this number line regularly to solve problems."

"The visuals were great for my students to further develop their number sense!"

Teacher Reviews

"Every year I find myself printing off more because I can't get enough of these pretty lights!!"

Love the feel this decor gave my classroom. So realistic!

Two empty rectangular boxes with dashed borders, positioned at the top of the page.

A central graphic consisting of a large, irregular, cloud-like shape with a thick black outline. This shape is surrounded by four rectangular boxes with dashed borders, one on each side (top, bottom, left, right). Lines connect the corners of the central shape to the corners of the surrounding boxes, forming a frame.
